

Toledo Zoo Home Schooling Program

Registration Guidelines

- A minimum of ten students for each class is required. If the minimum is not achieved, The Toledo Zoo reserves the right to cancel classes due to insufficient enrollment. We will contact you one week prior to the class if it is cancelled.
 - The fee for all programs is \$8 per student per class for Zoo members, \$13 per student per class for non-members. Program fees do not include admission to The Toledo Zoo, which must be paid separately at the Zoo's main entrance.
 - Class size is limited to twenty students. Registration is first-come, first-serve.
 - Classes begin promptly at their scheduled times. Please respect this as it is difficult to locate your child's class on grounds or on a tour once the class has begun. Please make sure you leave enough time to travel to the Zoo and walk to your classroom. **There will be no late admittance.**
 - Registration is required. Walk-ins will not be accepted.
 - Curriculum may be purchased for an additional fee of \$95.00 per grade level.

Please register by mailing in the form below or calling 419-385-5721, ext 2042.
