Animal Egg Hunt Offers an Enrichment Egg-stravaganza

Toledo, Ohio—On **Friday, April 2** some of your favorite Toledo Zoo animals will discover their habitats filled with terrific treats as the Zoo presents the **Animal Egg Hunt**. Your family will delight in the sight of these animals digging into some Easter goodies in what's becoming a springtime holiday tradition! Plus join the Zoo for crafts and story times throughout the day.

The Animal Egg Hunt is not only a lot of fun for visitors; it's also a great source of enrichment for the animals. Enrichment stimulates animals' senses, encouraging them to interact with their environments and engage in naturalistic behaviors. It's one way The Toledo Zoo works consistently to provide the best in animal care!

The schedule for the Animal Egg Hunt is as follows:

10:15 a.m. Gorillas in the Kingdom of the Apes	11:45 a.m. Octopus feed in the Aquarium
10:30 a.m. Harvey the Chimp and Orangutans in the Kingdom of the Apes	12:15 p.m. Story Time in the Great Ape Interpretive Center
10:45 a.m. Monkeys and Gibbons in the Primate Forest	1:15 p.m. Otters in the African Savanna
11:00 a.m. Story Time in the Aviary	1:45 p.m. Meerkats in the African Savanna
11:15 a.m. Tortoise feed in the Reptile House	2:00 p.m. African Wild Dogs in Africa!
	2:30 p.m. Story Time in the Arctic Encounter®

The Toledo Zoo is open daily from 10 a.m. 4 p.m. and is located on the Anthony Wayne Trail (US 25), four miles south of downtown Toledo. For more information, please visit www.toledozoo.org or call (419) 385-4040. Lucas County residents are admitted free of charge each Monday from 10 a.m. to noon. ID showing proof of residency is required.

The Toledo Zoo is committed to inspiring others to join in caring for animals and conserving the natural world. As part of that mission, The Toledo Zoo is accredited by the Association of Zoos and Aquariums (AZA), a leader in global wildlife conservation. AZA member institutions are dedicated to providing excellent care for animals, a great experience for visitors and a better future for all living things.
