

FOR IMMEDIATE RELEASE: February 8, 2009

Toledo Zoo Offers Free Weekend in February

Toledo, Ohio—**The Toledo Zoo will offer free admission for all Lucas County residents from Saturday, February 13 to Monday, February 15.** It's a way of celebrating both the President's Day weekend and the partnership between the Zoo and the voters of Lucas County—a partnership that's made it possible for The Toledo Zoo to become one of the nation's top zoos and the area's top family destination. *Lucas County residents must present ID showing proof of residency.*

The free weekend takes place during the season The Toledo Zoo calls Frozentoesen, the celebration of all things winter. Throughout Frozentoesen, the Zoo presents ice-carving demonstrations, animal feeds and special activities and performances. It's a great cure for your family's cabin fever and a fantastic opportunity to "Dig the Cool."

The Lucas County appreciation weekend in February kicks off on **Saturday, February 13** with **Vanimal-tine's Day**, during which animals receive species-appropriate treats throughout the day. On **Sunday, February 14**, the **Toledo Ballet** will perform in the Zoo's historic Indoor Theatre. A complete schedule of performances and activities throughout February can be found at www.toledozoo.org. Frozentoesen is presented by Mercy Children's Hospital.

The Toledo Zoo is open daily from 10 a.m. to 4 p.m. and is located on the Anthony Wayne Trail (US 25), four miles south of downtown Toledo. For more information, please visit www.toledozoo.org or call (419) 385-4040. Lucas County residents are admitted free of charge each Monday from 10 a.m. to noon. ID showing proof of residency is required.

The Toledo Zoo is accredited by the Association of Zoos & Aquariums (AZA). Look for the AZA logo whenever you visit a zoo or aquarium as your assurance that you are supporting a facility dedicated to providing excellent care for animals, a great experience for you, and a better future for all living things. With its more than 200 accredited members, AZA is building North America's largest wildlife conservation movement.
