Butterfly & Bug Fest on September 3

Toledo, Ohio — Visit Nature's Neighborhood at the Toledo Zoo on September 3 for a day dedicated to the little creatures that creep, crawl, float and flutter!

The fun starts at 10 a.m. and runs 'til 4 p.m. Children can participate in all sorts of buggy fun and games, from tasting some honey and creating a water bug to navigating a maze with bug goggles on. Don't miss the Zoo's bug-focused story time, Keeper Tales stage show or spider feeding demo. Plus BUGMAN will be hand with live insects!

If you know a child who likes bugs or butterflies, this is the place to be. Nature's Neighborhood offers innovative, child-centered teaching through real-life science that is so fun, the kids won't realize they're learning.

The Butterfly & Bug Festival is **free with regular Zoo admission**. For more information and a schedule of activities, visit the Zoo's website at www.toledo zoo.org/bugfest
