Rock N Roar at the Zoo on Aug. 5

Toledo, Ohio — Tickets are still available for **Rock N Roar**, the summer's hottest dance party, at the Toledo Zoo. Three bands plus one DJ add up to one great night for the party people of this region, so get ready to get your boogie on — **Friday, August 5**, from 7 p.m. to midnight.

From the '70s groove and the '80s sounds to your Top 40 favorites, you're sure to hear tunes that set your feet in motion with East River Drive, Johnny Retro and the Hitmen, and Moore's Law. In addition, a DJ from Sounds of Music will keep the music spinning on the *Africa!* Overlook. Your Rock N Roar ticket covers all four stages.

Tickets must be purchased in advance by visiting www.toledozoo.org/roar or by calling (419) 385-5721, ext. 2091. You must be 21 or over to attend; we'll check your ID at the door. Tickets are \$20 for Zoo members and \$25 for non-members. Reserved tables of ten start at \$300.

Rock N Roar features several cash bars and grill foods available for purchase. This “summeriffic” night is presented by KeyBank, with major support provided by the Ohio Lottery. Media sponsors are The Blade, Cumulus Toledo and Lamar. 100% of the net proceeds from Rock N Roar support the Zoo's mission to inspire others to join us in caring for animals and conserving the natural world.

The Toledo Zoo is open daily from 10 a.m. to 5 p.m. and is located on the Anthony Wayne Trail (US 25), four miles south of downtown Toledo. For more information, please visit www.toledozoo.org or call (419) 385-4040. Lucas County residents are admitted free of charge each Monday from 10 a.m. to noon. ID showing proof of residency is required.

The Toledo Zoo is committed to inspiring others to join in caring for animals and conserving the natural world. As part of that mission, The Toledo Zoo is accredited by the Association of Zoos and Aquariums (AZA), a leader in global wildlife conservation. AZA member institutions are dedicated to providing excellent care for animals, a great experience for visitors and a better future for all living things.
