Toledo, OH – As the parent of a three- or four-year-old, you want a preschool that helps your son or daughter *love* learning, exploring and growing – all critical to setting a foundation for life-long educational success.

The Zoo's preschool center, licensed by the State of Ohio, offers a nature- and animal-based curriculum, blending traditional readiness learning with activities you won't find anywhere else. The curriculum includes nature observation, outdoor exploration, animal discoveries, story time, and fine and gross motor skill development.

The preschool's teachers are fully certified, with small classes to give your child the one-on-one attention and encouragement so vital at this age.

To maintain those small class sizes, space is limited; enroll today! Learn more at [www.toledo zoo.org/preschool](http://www.toledo zoo.org/preschool), or call (419) 385-5721, ext. 2004, or email [preschool@toledo zoo.org](mailto:preschool@toledo zoo.org).

The Toledo Zoo is open daily from 10 a.m. to 5 p.m. and is located on the Anthony Wayne Trail (US 25), four miles south of downtown Toledo. For more information and all the affordable fun at your Toledo Zoo, please visit [www.toledo zoo.org](http://www.toledo zoo.org) or call (419) 385-4040. Lucas County residents are admitted free of charge each Monday from 10 am to noon. ID showing proof of residency is required.
