# Companies for Kids Donors

The Toledo Zoo's Companies for Kids program is one of the many ways we help forge a connection between people and nature. Thanks to the support of these generous companies, thousands of children are able to experience the Zoo through educational programs and outreach in a way they might not otherwise be able!

The Companies for Kids program also supports the Access to Fun Fund, whereby businesses provide funding to underwrite a visit to the Zoo for nonprofit organizations that work with underserved youth and children with special needs in our community.

Thank you to our 2022 Companies for Kids donors:

# Conservation Today Donors
