COMpanIES FOR KIDS PROgRAM

The Toledo Zoo is deeply committed to providing fun and educational opportunities to all of our region’s children -- the Toledo Zoo is everyone’s Zoo. Thanks to the generous support of the wonderful businesses in our community that support the Companies for Kids program and the Access to Fun Fund, the Zoo is able to provide admission tickets to nonprofit organizations that serve lower income families and children with special needs. For many kids, it maybe be their first time coming face-to-face with a Komodo dragon or hearing a Tiger roar. Experiences like these leave a lasting impression.
