Music under the Stars at the Toledo Zoo

TOLEDO, Ohio — Picture it... the sun setting on a warm summer evening, sitting in your lawn chair, popcorn in hand, enjoying the soothing live sounds of classical favorites, bopping to the beat of all-American hits and strolling down “The Great White Way” while surrounded by family, friends and...the entire animal kingdom!

The Toledo tradition, Mercy Health Music under the Stars presented by The Andersons, a free concert series at the Toledo Zoo featuring the Toledo Symphony Concert Band returns for the 2017 season! The season is also supported by Welltower, Inc., Taylor Automotive Family and Buckeye Broadband.

Join us for these fantastic free community concerts beginning the following Sundays at 7:30 p.m.:

July 9- Hooray for the Red, White and Blue

July 16- Old, New, Borrowed & Blue

July 23- World Tour, 2017!

July 30- Made in America

Select concessions, including hamburgers, hotdogs, ice cream and popcorn will be available for purchase. The Amphitheatre will open for seating at 6:30 p.m. Zoo parking rates and policies apply.

Again this summer, it’s all about the bass...sharps, flats and even some treble at the Mercy Health Music under the Stars presented by The Andersons free concert series at your Toledo Zoo. To learn more, please visit toledo zoo.org/music.

The Zoo is open daily at 10 a.m. and is located on the Anthony Wayne Trail (US 25), four miles south of downtown Toledo. For more information, please visit toledo zoo.org or call 419-385-4040. Lucas County residents are admitted free of charge on non-holiday Mondays from 10 a.m. - noon. Valid ID showing proof of residency is required.

The Toledo Zoo is committed to inspiring others to join us in caring for animals and conserving the natural world. As part of that mission, the Toledo Zoo is accredited by the Association of Zoos and Aquariums (AZA), a leader in global wildlife conservation. AZA member institutions are dedicated to providing excellent care for animals, a great experience for visitors and a better future for all living things. Submitted by: Kim Haddix
